

Coils

Reliable performance you can trust

Lennox® coils are built to provide years of efficient comfort. Designed to optimize the performance of Lennox air conditioners or heat pumps, and built to stringent quality standards, they are the coil choice for a matched system.

Advantages of the Quantum™ Coil from Lennox

With years of rigorous testing under the most extreme conditions, our Quantum™ Coil—featuring a proprietary aluminum alloy exclusive to Lennox—is designed to weather the harshest elements.

For homeowners:

- Improved resistance to environmental contaminants such as aerosols and VOCs
 - Improved durability
 - Maintains performance over time
 - Long-lasting, clean appearance

For you:

- Higher customer satisfaction
 - Maintains performance better
 - Improved coil appearance
- Competitive advantage
 - Differentiated solution
- Improves safety
 - Lighter weight

Lennox® coils come appointed with:

Thick foil-faced insulation prevents sweating and improves air quality (available on all coils except the uncased C35)

Anti-microbial drain pan

Corrosion-resistant cabinet for enhanced reliability
